7th Annual Texas Insurance and Tort Law Update 2014

The Houston office of Thompson Coe was established in 2001. What started as three attorneys has grown to over 30, and what began as an extension of the firm's well-recognized insurance practice now includes work in a number of legal fields. The Houston office handles litigation and non-litigation matters at the trial and appellate level across the state and nationwide including insurance coverage, product liability, transportation, construction defects, legal malpractice, labor and employment, natural disasters, maritime, and commercial disputes.
