Arfeo Yllana is an experienced litigation attorney who has represented numerous contractors, developers, oil & gas companies, transportation and business clients in severe-injury and death cases involving trucking accidents, workplace accidents, and premises liability accidents, and design professionals in complex, multi-party construction defects lawsuits.

He has also represented clients in lawsuits involving commercial transactions, fraud, UCC claims, and trademark infringement. His experience allows him to accurately value the exposures of his clients in the early stages of the litigation process and to vigorously represent them while being cognizant of litigation costs.

His clients receive optimal results and the highest level of client service through detail-oriented and thoughtfully infused efforts that begin the moment the case is assigned.
