

Isis T. Miller

Associate

imiller@thompsoncoe.com

(512) 703-5067

Isis Miller is a dedicated attorney focusing on building her practice in complex construction and design defect cases. Her practice includes the defense of design and construction defects against architects and engineers, and allegations of fraud and concealment of defects when properties are sold.

She also represents professionals in malpractice and breach of fiduciary duty claims. She represents attorneys, insurance agents, real estate brokers, accountants, officers and directors and other professionals. She strives to provide clear communication and a fresh perspective to her cases.
