Jeff Janota devotes his practice to the defense of clients and insurers in civil litigation matters involving catastrophic injury, wrongful death, products liability, construction defect, professional liability, UM/UIM and bad faith.

Jeff routinely represents developers, property owners and management companies, general contractors, subcontractors, design professionals, hotels, insurance companies, agents, transportation companies and drivers.

Jeff's approach to litigation focuses on early case evaluation and cost-effective resolution through settlement or dispositive motion. When early resolution is not possible, Jeff will not hesitate to take a case to trial or arbitration. Jeff has resolved hundreds of cases outside of trial and has successfully tried more than twenty cases to jury verdict.
