Nicholas B. Closuit

Associate

nclosuit@thompsoncoe.com

214 -292-3913

Prior to his legal career, Nicholas Closuit spent four years as an analyst for a large home builder. His first-hand business world insights allow him to understand internal office affairs and other office issues to serve his clients better. Nicholas has an analytical mindset, and he approaches issues in a methodical manner. This approach allows him to navigate complex issues for his clients, not missing any details.
