---

Tommy Gillaspie is a trial lawyer with more than 37 years of litigation experience. He has a unique ability to see and understand the weaknesses and motivations of the opposing side.

His experience includes tackling new challenges, from refinery operations to manufacturing products, understanding crash biometrics, and differentiating degenerative conditions and acute events.

With a client-first approach, he provides clear options to ensure his clients understand their positions. As an experienced problem solver, Tommy strives to produce the best response to all situations and achieve favorable results for his clients.
